Subject: [DEC-Sulfolane] Community Open House on Sulfolane - Tuesday May 1, 2012 5:30-7:30pm

A Community Open House on Sulfolane*

The Technical Project Team overseeing the investigation and remediation of the sulfolane groundwater plume in North Pole is hosting an open house to answer community questions and provide information on recent project work.

Updates include:

- The National Toxicology Program 's announcement of its plan to design and conduct sulfolane toxicity studies.
- The progress on the investigation and remediation of the plume during the last year.
- The 2012 project schedule and cleanup activities that have been set.

What: Community Open House on Sulfolane

When: Tuesday May 1, 2012 5:30-7:30pm

Where: North Pole Plaza Mall

***Advertisement has been attached**
